## Do you have a Greenhouse story?

The Payleitner family's experience is not the only Greenhouse story. You probably have one yourself. We are thankful for everyone who has been part of the story.

We could not fulfill our mission without godly people who pray, promote and provide on our behalf. We call them Greenhouse Builders. This year for every Greenhouse student, donors will provide about \$545 to make such an education possible.

**Join our team of supporters** by giving a one-time gift or becoming a Greenhouse Builder who gives regularly. (You can use the buttons to the right if you prefer, rather than mailing your gift to the address below.)
